

# SB-19

In addition to enforcing US Law Code 18 U.S.C 922(d) this act will promote public safety by enacting the same restrictions to firearms and thereof; to people that have or are currently receiving treatment from mental health facilities.

---

## IN THE SENATE OF THE AMERICAN LEGION BOYS NATION

Mr. Bull of Tennessee introduced the following bill;

---

## A BILL

In addition to enforcing US Law Code 18 U.S.C 922(d) this act will promote public safety by enacting the same restrictions to firearms and thereof; to people that have or are currently receiving treatment from mental health facilities.

*Be it enacted by The American Legion Boys Nation Senate assembled,*

### SECTION 1. SHORT TITLE.

This Act may be cited as the "The Covenant Shooting Demand for Mental Health Act 2023".

### SECTION 2: DEFINITION

In this act:

- (1)Mental Health Facility- Inpatient or outpatient treatment center for mental health care.
- (2)Mental Health Provider- A professional health care practitioner who offers services for the

purpose of improving an individual's mental health or treating mental disorders.

(3)Mental Evaluations- A series of formal or structured psychological tests as well as clinical interviews designed to identify and describe emotional, behavioral, or learning problems.

### **SECTION 3: PROHIBITION OF SHIPPING, TRANSPORTING, RECEIVING, OR POSSESSING**

FIREARMS OR AMMUNITION.

(a)That have voluntarily or involuntarily been receiving treatment from a mental health facility.

(b)Has ever received treatment from a mental health facility.

### **SECTION 4: EXCEPTIONS**

These laws will be hereby terminated to those that have been listed that act upon the following orders:

(1)For those that are voluntarily or involuntarily seeking and continuously seeking mental health treatment from a mental health facility.

(a)The patient will have a mental health evaluation every (but not limited to) 6 months based on the evaluation of the mental health provider.

(b)The mental health provider must maintain records every (but not limited to) 6 months for a congruent 3 years. If such patient discontinues continuous treatment a decision will be made by the Court to extend the mental evaluations to once per year.

(2) For those that have ever received treatment from a mental health facility and/or discontinue mental health treatment from a mental health facility.

The patient will go once every (but not limited to) 12 months to a mental evaluation from a mental health provider.

By Court Order evaluations can be modified to be more frequent than 12 months.

## **SECTION 5: FUNDING**

Appropriations and funds will be designated from the National Treasury.
